SPORTS

RUNNERS' MEET NEXT MONTH

The running race in which Jimmie Fitzgerald will make his debut in Honolulu will probably be run at night, either on July 2nd or July 4th, though there is a possibility that the race will be pulled off on the 2nd in daylight. The Oahu Baseball League has the first call on the ground and it is quite possible that it will be required to decide the first series of the Oahu League competition.

As the competition now stands the Native Sons are a game ahead of the Japanese and the teams meet next Sunday. A win to the Japanese means that the two teams will be level and there are many who figure it out the other way. However, until Sunday's games are played it will not be possible for the runners to figure on using the Park on the 2nd during the day time, though by Sunday the question will be decided.

Jimmie Fitzgerald, Soldier King and Con Hubbenette, if the latter arrives on the Hyades as expected, will line up to race over the fifteen mile course, under the management of E. J. Love, and provided the three men start there should be a splendid race, though even at this time the writer would plump for Fitzgerald's success. Jimmie remarked yesterday that he

did not know how the climate would affect him, but he did not expect it would upset his running to any appreciable extent. With Con Hubbenette in the race the element of uncertainty will be greater than if King and Fitzgerald ran together, but in the absence of any definite news from Hubbenette he can hardly be figured on as a probable winner. Fitzgerald will certainly give a great exhibition of running. He comes very highly recommended by the sporting writers of Australia, notably by Bill Corbett, the premier sport writer of that part of the world. Fitzgerald speaks highly of the sportsmanship of the Australians and hopes to make another trip there later on. He will remain in Honolulu just as long as there is any profitable running to be done, but, of course, he would not like to leave without meeting Antone Kaoo over the full marathon distance. He expressed a preference to race Kaoo over two distances, the fifteen mile route and the full marathon, and in all probability he will be accommodated. The meeting of the two champions of the full marathon course would be a very popular event. Kaoo has proved his ability over the long distance and would no doubt be well supported if the race were made.

TEAMS FOR A CRICKET MATCH

For the first time in many years cricket looms up as a most important sporting fixture in Honolulu as tomorrow's game on Alexander Field between the "King's" and "Queen's" teams, is the most important match that has been scheduled here for many a day. The recent practices have brought out the best players in the Territory and as the teams have been selected with a view to fairly dividing the players the match tomorrow is expected to prove a keen close game.

Bob Anderson, captain of the club, will be in charge of the "King's" team, while R. A. Jordan will lead the "Queen's" men to battle. The game will commence at one o'clock and continue as long as there is light enough to play by, unless the game is finished earlier. It is hardly likely that the game will be a two-innings match, as the time at the disposal of the players will hardly permit of that, so that the game will be decided on the first innings.

The teams are as follows: "King's" team—R. Anderson, J. C. McGill, T. P. Gray, J. M. Macdonald, D. W. Anderson, R. H. Carter, L. G. Blackman, H. G. Winkley, J. H. Fildes, M. MacIntyre, Dr. Johnstone and

W. Denae. "Queen's" team—R. A. Jordan, H. B. Bailey, C. F. Maxwell, C. P. Morse, E. Melanphy, G. B. Marshall, R. Rath, A. St. C. Pitanaia, W. Brown, Dr. Van Agnew, and D. I. Withington.

SPORT NOTES

Ruth Richards Champion Tennis Player.

By winning the final game in the Punahou Girls' School tennis tournament against Miss Edith Hart, Miss Ruth Richards won the tennis championship of the school for the year. There were twenty-three entries, but after the preliminary matches were played seven of the girls were selected on their play to go into "A" class and play for the championship. Miss Richards did remarkably well, winning each match two sets to love. In all she won thirty-six games to three, a remarkable record.

Apau Pitched Well.

Though Apau failed to win his game for the Stars last Sunday against the Native Sons, he did very good work with the ball, striking out ten and walking only one. He walked the first man up to bat, but thence to the end three balls were called on him only five times, and of these five two were in the fifth inning. He pitched 110 deliveries, of which forty-five were strikes, forty-two called balls and twenty-three foul were

fouled. The Native Sons made only five hits off him, but errors on the part of the fielders prevented Apau from getting a victory on his pitching. He certainly handed out a different type of ball to that which he gave when he last appeared for the Stars. Apau has pitched two full games for the Stars this season, both times against the Native Sons. He also opened against the Japanese but was replaced by Hayes.

Native Sons Arrange Dance.

The Native Sons of Hawaii are giving their admirers an opportunity to rally to the support of the Club by giving a dance in the Alexander Young Hotel on the night of July 1st, for which an admission fee of one dollar will be charged. The Club was only formed this season and the initial expenses have been many, aggregating to quite a respectable sum. The players are all amateurs and are in need of funds to pay for uniforms and baseball bats and balls, as well as the incidental expenses of a new club.

The dance will be a great affair if the team is supported by those who are interested in its welfare. The ladies play snappy baseball, exhibit great team work and are now ahead in the race for the pennant. On next Sunday's game will depend the result of the first series, for the Native Sons if they win against the Japs will have wrested the championship from the latter, and if the Japanese win, another game will be necessary to decide the series. "Everybody Root for the Native Sons" is the Club's slogan and it is now put up to the supporters of the club to do likewise.

PUGILISTS LEAVE.

Kid George and Patsy McKenna, the two mainland pugilists who appeared at the Orpheum Theater on Saturday evening, left this morning on the Wilhelmina for the Coast, both of them dissatisfied with Honolulu. It might well be said that Honolulu sports were even more dissatisfied with the showing of the two men than the men were with the city, but anyhow they have left. The one fight they put up was enough. McKenna had an opportunity of fighting at Hilo on the Fourth of July with Kupa, but he wisely decided to turn the offer down and return to familiar stamping grounds where his style of fighting is more appreciated.

A GOOD FRIEND.

No one can have a better friend when troubled with colic or diarrhoea than Chamberlain's Colic, Cholera and Diarrhoea Remedy. Ever since the middle aged man of today was a child it has been going about doing good until its fame has spread to nearly all parts of the civilized world and stands unrivalled for its prompt cures. It never fails to give relief. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.

MRS. HERBERT'S ESTATE.

Following is the appraisal of the estate of the late Clara Louisa Herbert, filed by W. P. Fennell, F. J. Linderman and M. L. Simonton, the court appraisers:

Real estate: Land on Kinnu, Keeaumoku, Berefania and Makiki

streets, Honolulu; area, 63,820 square feet, at 15c per square foot, \$9,573; Improvements on above, \$3,791. One-fourth interest in artesian well, \$500; total, \$13,773. Personal property: Cash, \$2,115.75; jewelry, \$361.25; total, \$2,476.95. Total appraised value, \$16,249.95.

The appraisers found a strip of land which had to be deducted from the executor's inventory, it having been conveyed away by the testator.

BILL NO. 33.

ORDINANCE NO. —

An Ordinance Relating to the Construction, Repair and Maintenance of Public Streets, Highways, Roads, Alleys, Trails, Sidewalks, Bridges and Public Places in the City and County of Honolulu.

Be It Ordained by the People of the City and County of Honolulu:

Section 1. The Board of Supervisors of the City and County of Honolulu shall appoint, and may remove at pleasure, a suitable person as Engineer of the City and County of Honolulu, and shall also appoint, and may remove at pleasure, one suitable person for each district as Road Overseer for the Districts of Honolulu, Ewa, Wai-anae, Wai-anae, Koolauloa and Koolau-poko respectively. The salaries of said City and County Engineer and the salaries of the respective Road Overseers shall be fixed by the Board of Supervisors.

Section 2. It shall be the duty of the City and County Engineer to superintend the construction, repair and maintenance of all public streets, highways, roads, alleys, trails, sidewalks, bridges and public places in the City and County of Honolulu, and it shall be the duty of each Road Overseer to supervise, under the direction of the City and County Engineer, the construction, repair and maintenance of all public streets, highways, roads, alleys, trails, sidewalks, bridges and public places within the District for which he is appointed.

Section 3. It shall be the duty of the City and County Engineer and of each of the Road Overseers to make a report to the Board of Supervisors not later than the fifteenth day of each and every month of the work done under their supervision during the preceding month.

Section 4. This Ordinance shall take effect five days from and after its approval.

Introduced by

S. C. DWIGHT, Supervisor.
Date of introduction, the 20th day of June, 1911.

The foregoing Bill was, at a regular meeting of the Board of Supervisors, City and County of Honolulu, held on Tuesday, June 20, 1911, passed first reading and ordered to print on the following vote of the said Board:

Ayes: Amara, Arnold, Dwight, Low, McClellan, Murray. Total, 6.

Noes: None.
Absent and not voting: Kruger. Total, 1.
E. RUFFANDEAU, Deputy City and County Clerk.

36—June 21, 22, 23.

The average analysis of fresh cows' milk is about as follows:—

Butter-fat	3.9 %
Casein	3.4 %
Milksugar	4.1 %
Albumen	.7 %
Salt and Ash	.4 %
WATER	87.5 %

Total 100.0 %

"3 C" Dry Whole Milk is made by removing only the water from pure unskimmed milk. No foreign substance whatever is added. Therefore, when we restore the water to "3 C" Dry Whole Milk we have all the constituents of pure fresh milk.

This product is not a substitute for milk. It is milk. It is not to be confused with so-called "Malted Milks" or other patent foods which are prepared principally from cereals.

The burnt taste and color noticeable in condensed milks are not found in this product. For equal food value it has less than one-fourth the weight of commercial condensed milks. It keeps in any climate and is not affected by freezing.

"3 C"
Dry Whole Milk

Is packed in: 1/2 lb., 1 lb., 5 lb. and 45 lb. Metal Cans with Friction Covers.

Will revolutionize the whole canned milk trade.

TUESDAY, JUNE 20, TO SATURDAY, INCLUSIVE

ICE CREAM SERVED FREE
